

RAND McNALLY®

## Volvo kit for SafetyDirect Harness, SDP, and cameras

**Order direct from Rand McNally!**

Forward Looking Camera (FLC5.5) and Driver Facing Camera (DFC25) kits shipped directly to dealer, service or upfit partner. Plug and play with VNL and VNR for 2025+.

### What is the SafetyDirect Platform?

SafetyDirect, Rand McNally's premier active ADAS safety reporting platform, provides high quality vehicle data distinguishing between driver actions and mitigation systems. Get clear actionable data from radar sensors, ADAS system, vehicle health and diagnostics, installed cameras and in-cab audible alerts.

57%

Fewer accidents within  
4 months of deployment

30%

Reduction in  
accident-related costs

21%

Reduction in  
insurance costs

10x

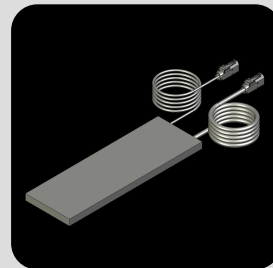

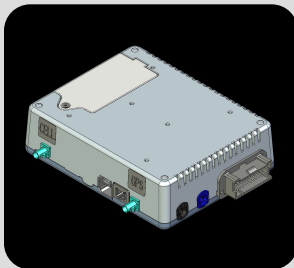

ROI in the  
first year
